Terms and Conditions

Dear New Patient/Client,

Welcome and thank you for choosing Functional Nutrition as one of your health care providers.

We provide cutting edge nutrition, fitness and wellness programs that are laboratory guided and evidence based.

In addition to seeing clients at our practice in Sheffield, England, we also work with clients remotely via telephone and e-mail. I currently have clients all over the world – including the United States, Sweden, Australia, Italy and Hong Kong. So as long as you have access to a telephone, e-mail and a courier service such as FedEx we can work together.

Along with your health history and initial interview, your laboratory results are used to help tailor your own nutritional and wellness program – based upon your unique nutritional and metabolic requirements.

Let's Get Started

To become a new client you will need to complete and return this package of paperwork which includes; our policies and procedures, your personal information, health profile and data protection form at least 48 hours before your first appointment. Payments can be made by cash, credit and debit cards, as well as by cheque at the end of the appointment. Please note: payments for health/performance packages and individual laboratory tests do not cover the costs of consultations.

Once you have submitted your new patient paperwork, you can then schedule your initial appointment. This can be done online via this website, by clicking the make an appointment link on the right side of the home page. If you are having problems with the online scheduler, please call the practice on +44 (0)114 2357845 or e mail appointments@health-energy-fitness.co.uk to arrange your appointment.

How the Process Works

Step 1

During the initial consultation, I will review your paperwork (health history etc) and if you have not already purchased a laboratory testing package I will make recommendations for laboratory tests that are appropriate for you specific health issues. I will also explain the process of completing the laboratory tests to ensure accuracy in reporting. We will also introduce you to a range of dietary recommendations including general eating guidelines to help stabilise blood sugar levels, improve energy and aid detoxification.

Step 2

As soon as I have received your results, we will contact you to arrange an initial follow up consultation when we will review all the findings and go through an individualized therapeutic program for you. Based upon your laboratory results your eating guidelines will be fine tuned for optimal results, we will review a customized nutritional supplement program, and if appropriate a fitness program.

Step 3

After 1 month on your program a progress review appointment will be arranged. Here we can track your progress to date, re-introduce certain foods to your diet (if appropriate) and answer any outstanding questions you may have.

Step 4

Advanced Programs will receive a 90 day follow up and evaluation. Individuals purchasing the Kick Start Nutritional Program can then schedule subsequent consults (please see fee schedule below).

You may contact us via e mail or telephone should you have any questions during the course of your program on +44 (0)114 2357845 and via e mail: info@health-energy-fitness.co.uk

We look forward to assisting you in achieving optimal health.

HEALTH APPRAISAL QUESTIONNAIRE

Name _____ **Date** _____

DIRECTIONS

This questionnaire asks you to assess how you have been feeling **during the last four months**. This information will help you keep track of how your physical, mental and emotional states respond to changes you make in your eating habits, priorities, supplement program, social and family life, level of physical activity and time spent on personal growth. All information is held in strict confidence. Take all the time you need to complete this questionnaire.

For each question, circle the number that best describes your symptoms:

0 = No or Rarely—You have never experienced the symptom or the symptom is familiar to you but you perceive it as insignificant (monthly or less)

1 = Occasionally—Symptom comes and goes and is linked in your mind to stress, diet, fatigue or some identifiable trigger

4 = Often—Symptom occurs 2-3 times per week and/or with a frequency that bothers you enough that you would like to do something about it

8 = Frequently—Symptom occurs 4 or more times per week and/or you are aware of the symptom every day, or it occurs with regularity on a monthly or cyclical basis

Some questions require a YES or NO response: 0 = NO 8 = YES
